INT. BRANDON'S BEDROOM - DAY

BRANDON

What do you want from me, Jess?
People change, they grow. I've
grown. But I'm still me.

JESS

Are you?

BRANDON

Of course I am. You think because I
don't wanna go to this concert I've
become this totally new guy. I just
don't like their new album. It's
too lo-fi.

JESS

But they're your favorite band! We
used to listen to them all the
time! Or did you forget?

BRANDON

Yea, we did. And they were. But
there are other bands out there.
There's a whole world out there
besides this town, Jess.

JESS

Your new *friends* teach you that?

BRANDON

Is that what this is about? The
fact that I made new friends at
college? That I'm not the insecure
wimp I was in school? Or did you
forget how hard it was for me? I've
finally come out of my shell, Jess.
I actually have a freaking opinion!
I like things or I don't like
things. But I make those choices
for myself. No one else. I thought
you would be happy for me.

JESS

I want to be. But you've changed so
much. I don't know if I like this
new Brandon.

BRANDON

Well, I'm sorry but I do. This
Brandon is happy. (beat) With or
without you.
